Here's to us — Larkin Students

DEDICATION

"Mel Peters — friend, teacher, and model human being — that is what he has been to the students who have been lucky enough to know him, to his colleagues who have been lucky enough to work with him, and to me personally and professionally. Those who have been privileged to work with him will miss him deeply, and yet we will be challenged to continue with our own lives in a way that will reflect and fulfill his highest expectations for us. And now we all join together to wish Mel Peters the very best for his retirement years, feeling confident that his future will still be very active and productive and that those whose life path crosses his will be as inspired by Mel Peters as we have been."

John C. Pennoyer

"Mr. Peters is well-known to the students and faculty of Larkin High School. He is officially the Guidance Director, but is more often out in classes, talking to groups about college admission testing or scholarships. In this way, he reaches all students planning to go to college. Then at most other times, he is available to talk to students in his office on a more personal face-to-face basis. These individual appointments often concern getting questions about college answered, but also may be concerned with helping students with personal problems.

Above all of the expertise that Mr. Peters has, he is a friend to students and faculty that seek him out for information and help. I know this is true. I have worked in his department for nineteen years."

Don Abbs

"For ten years I have witnessed Carol Wieg's loyal service as sponsor of **Cerulean**. As she has held this position, she has not only taught her students, but has learned through sharing mutual ideas with them. Their accomplishments are exhibited in the variety of their public actions and the awards they have received during those years.

Carol is a dedicated educator, a devoted wife, a loving mother who shares her life with kindness, devotion and dignity. Her students, her family and her friends are all richer for having known and worked with this special person."

HERE'S TO US U-46 COMMUNITY

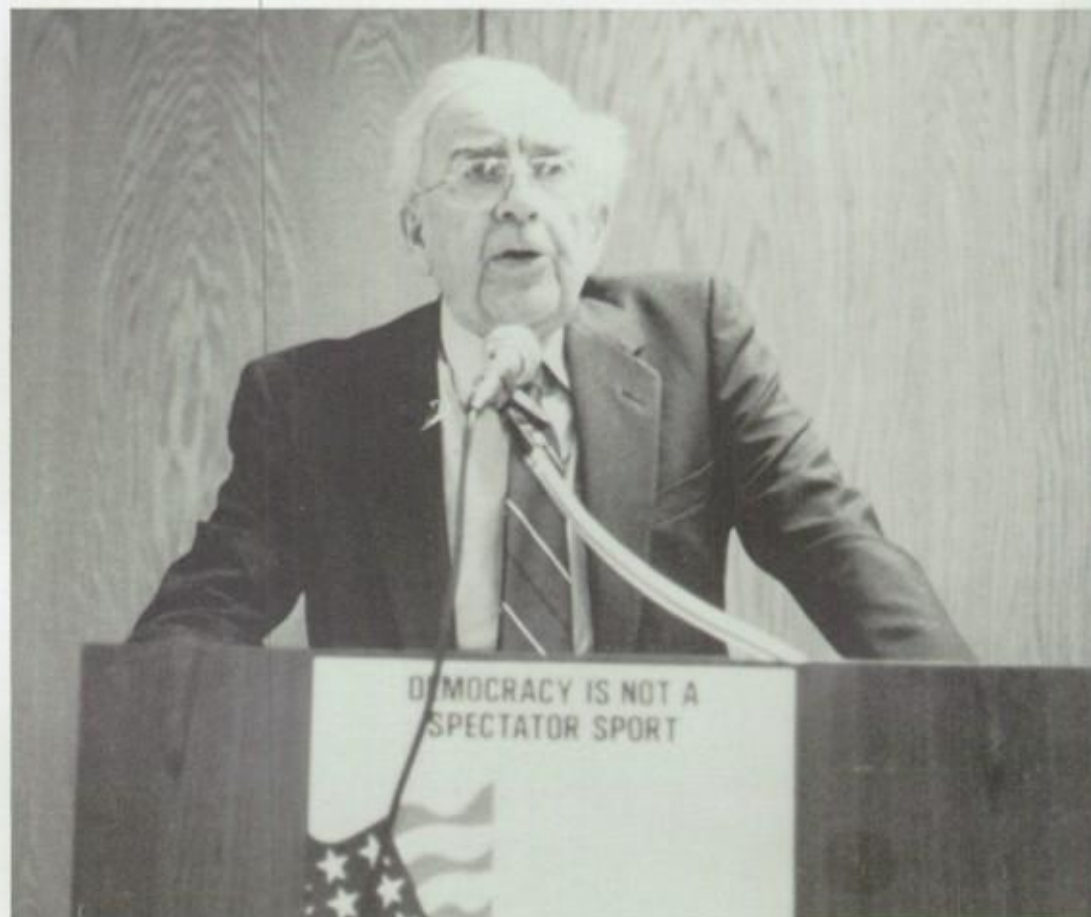

November 4 meant not only the national election, but also the referendum for U-46. Many meetings were held both for and against the referendum, including a debate in which Mr. Charles Burnidge spoke for passage of the referendum and Mr. Eugene Devitt spoke against. Four Larkin juniors were very active in the fight for the referendum. They spoke with classes, attended meetings, and attended the debate. Thanks is given to all Larkin students and faculty who helped U-46 pass the referendum and insure quality education to U-46 students for years to come.

Mr. Charles Burnidge spoke for the referendum at the debate.

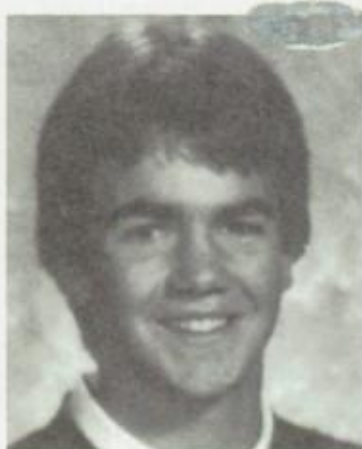

The ballot boxes held the winning votes for U-46.

Mr. Eugene Devitt fought a losing battle against the referendum.

HERE'S TO US — PRESIDENTIAL ELECTION

The fiftieth presidential election was held November 4, 1984. This election saw the first female running-mate to a candidate. Mondale and Geraldine Ferraro broke tradition in their race against the incumbents Ronald Reagan and George Bush. Reagan and Bush were re-elected for their second term in the biggest landslide in history. They took all but one state.

Larkin held a mock-election in the commons where the results were much the same as the national election.

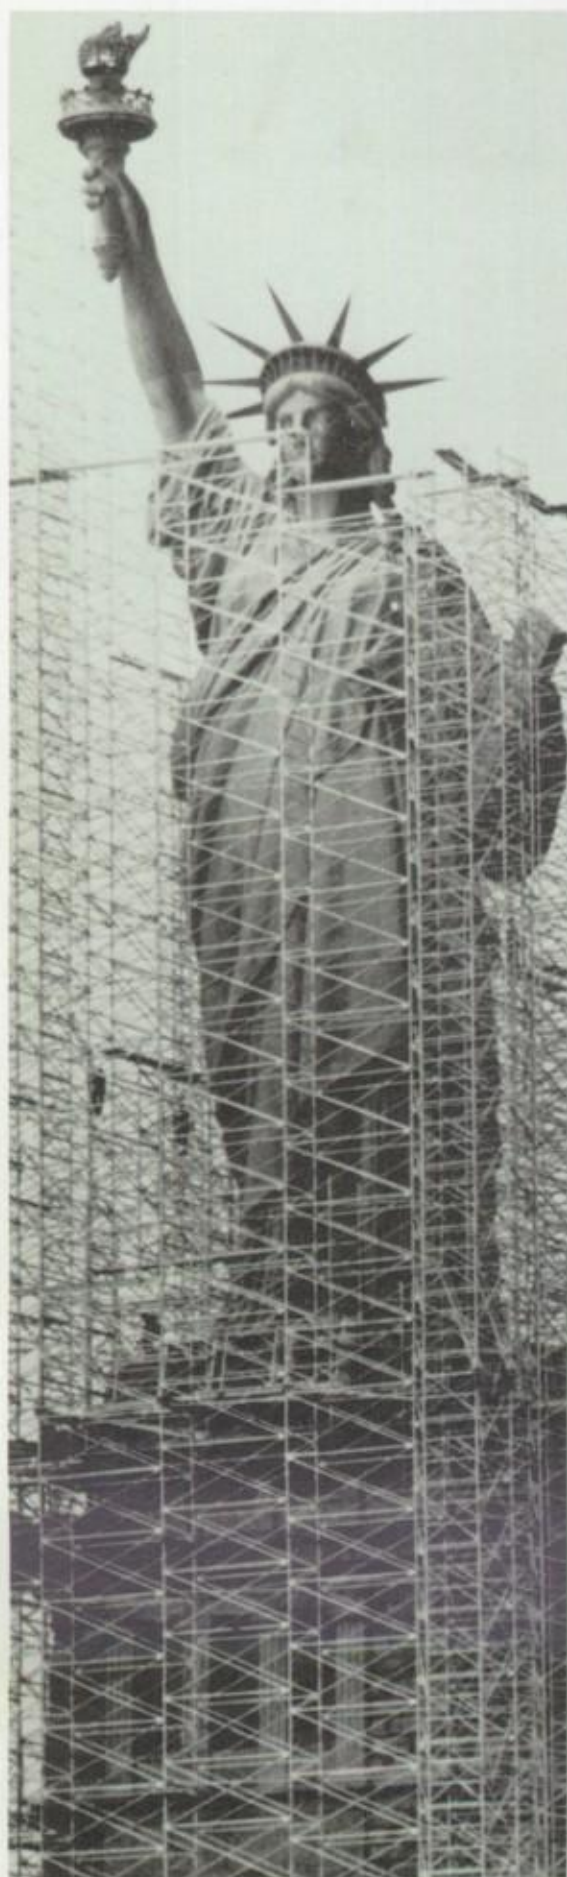

Steve Bjorklund and Richard Dempsey participate in Larkin's mock-election.

November 6 saw the fiftieth election in the U.S.

President Reagan repeats the inaugural ceremony once more to start his second term.

NATIONAL MEMORIES

The Statue of Liberty began a multi-million dollar facelift.

The Cubs won their first pennant since 1945.

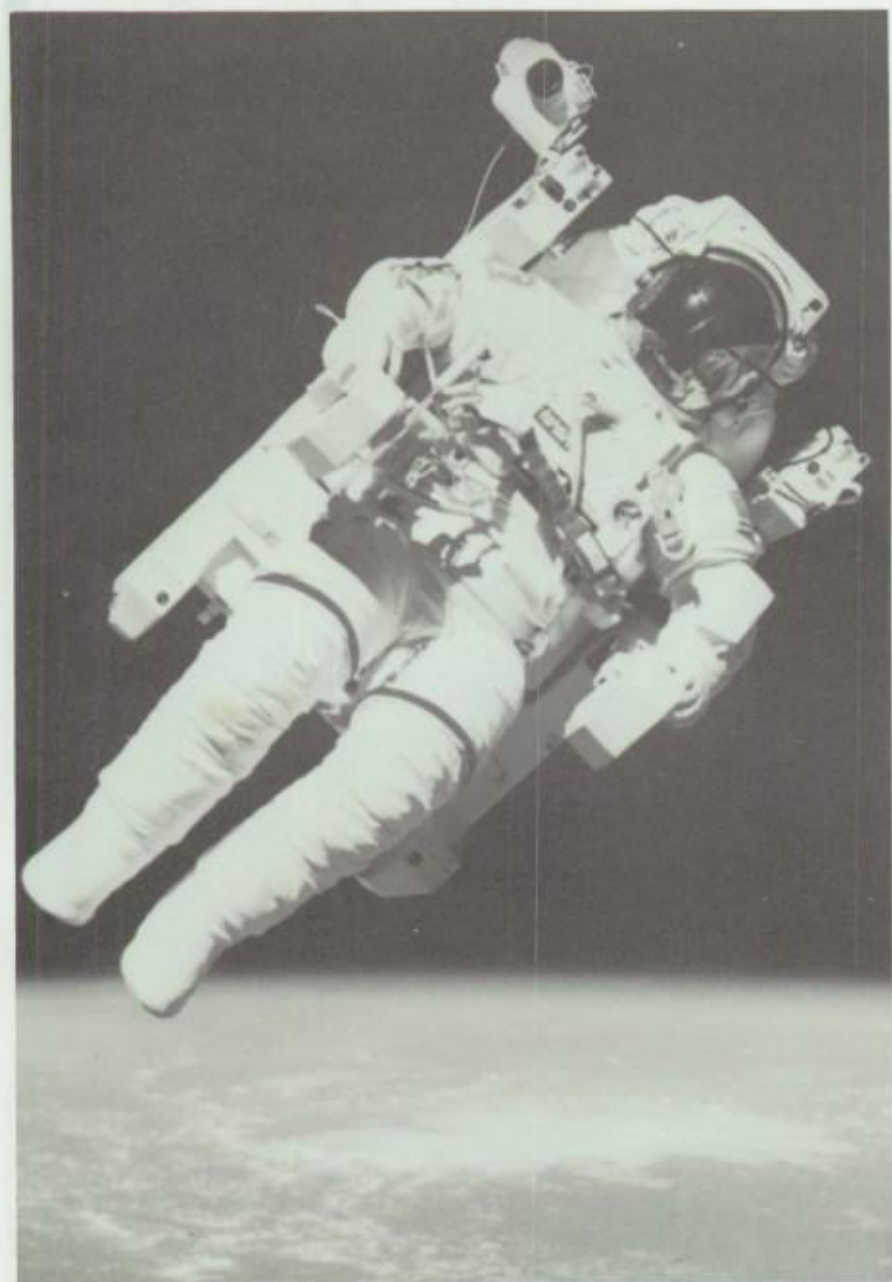

Mary Lou Retton captured America's heart and Olympic gold in gymnastics.

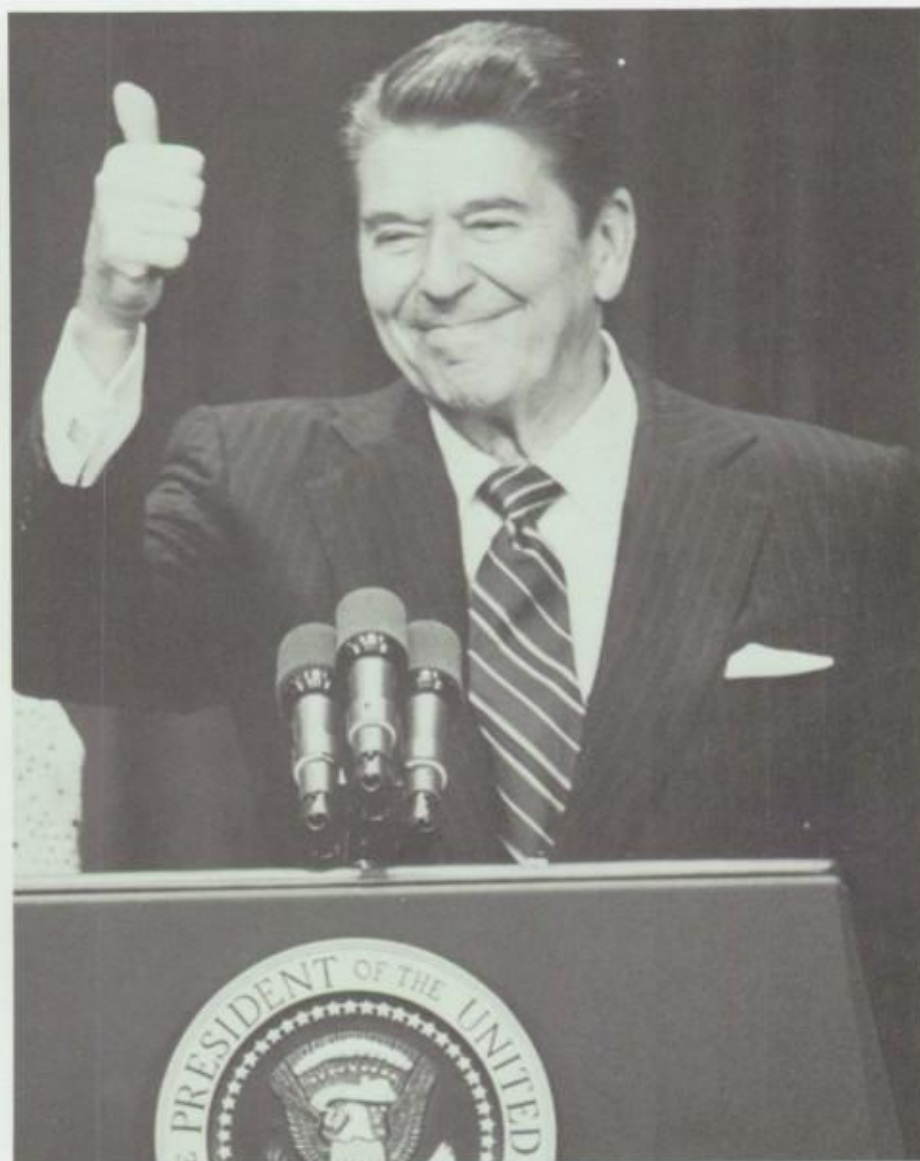

O.J. Simpson's all-time rushing record was shattered by Payton.

Geraldine Ferraro became the first female Vice-Presidential candidate on a major party ticket.

American astronauts took the first free walk in space.

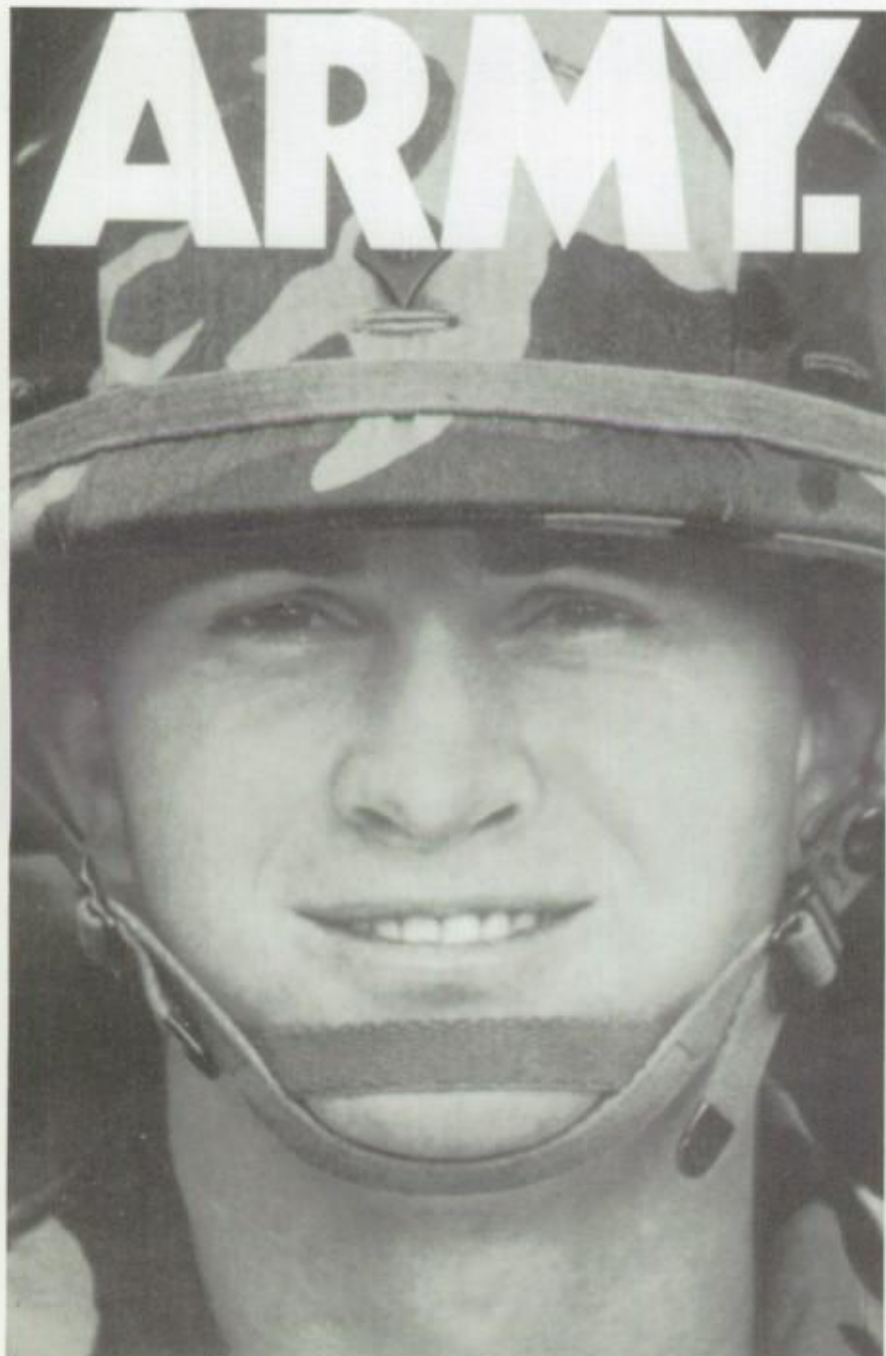

Sweeping the polls, Ronald Reagan won a second term as President.

HERE'S TO US SENIOR PLANS

Every year a new class of seniors must make a serious decision about their futures. Many choose to go to college, some choose to go to a technical school or into an apprenticeship, some choose to go into the service, and some go straight into the job market. Cerulean polled the Class of '85 to find out what they had decided to do. Of the 235 who answered the poll, 163 had decided to go to college. The five most chosen colleges were as follows: E.C.C. with 33%, Northern with 13%, U of I with 9%, S.I.U. with 5%, and E.I.U. with 3%. Eleven percent of the students chose to try the job market straight out of school. The remaining students chose the service. The Air Force and the Army were the most popular branches.

Technical schools provide training for many jobs and are fairly popular with Larkin students.

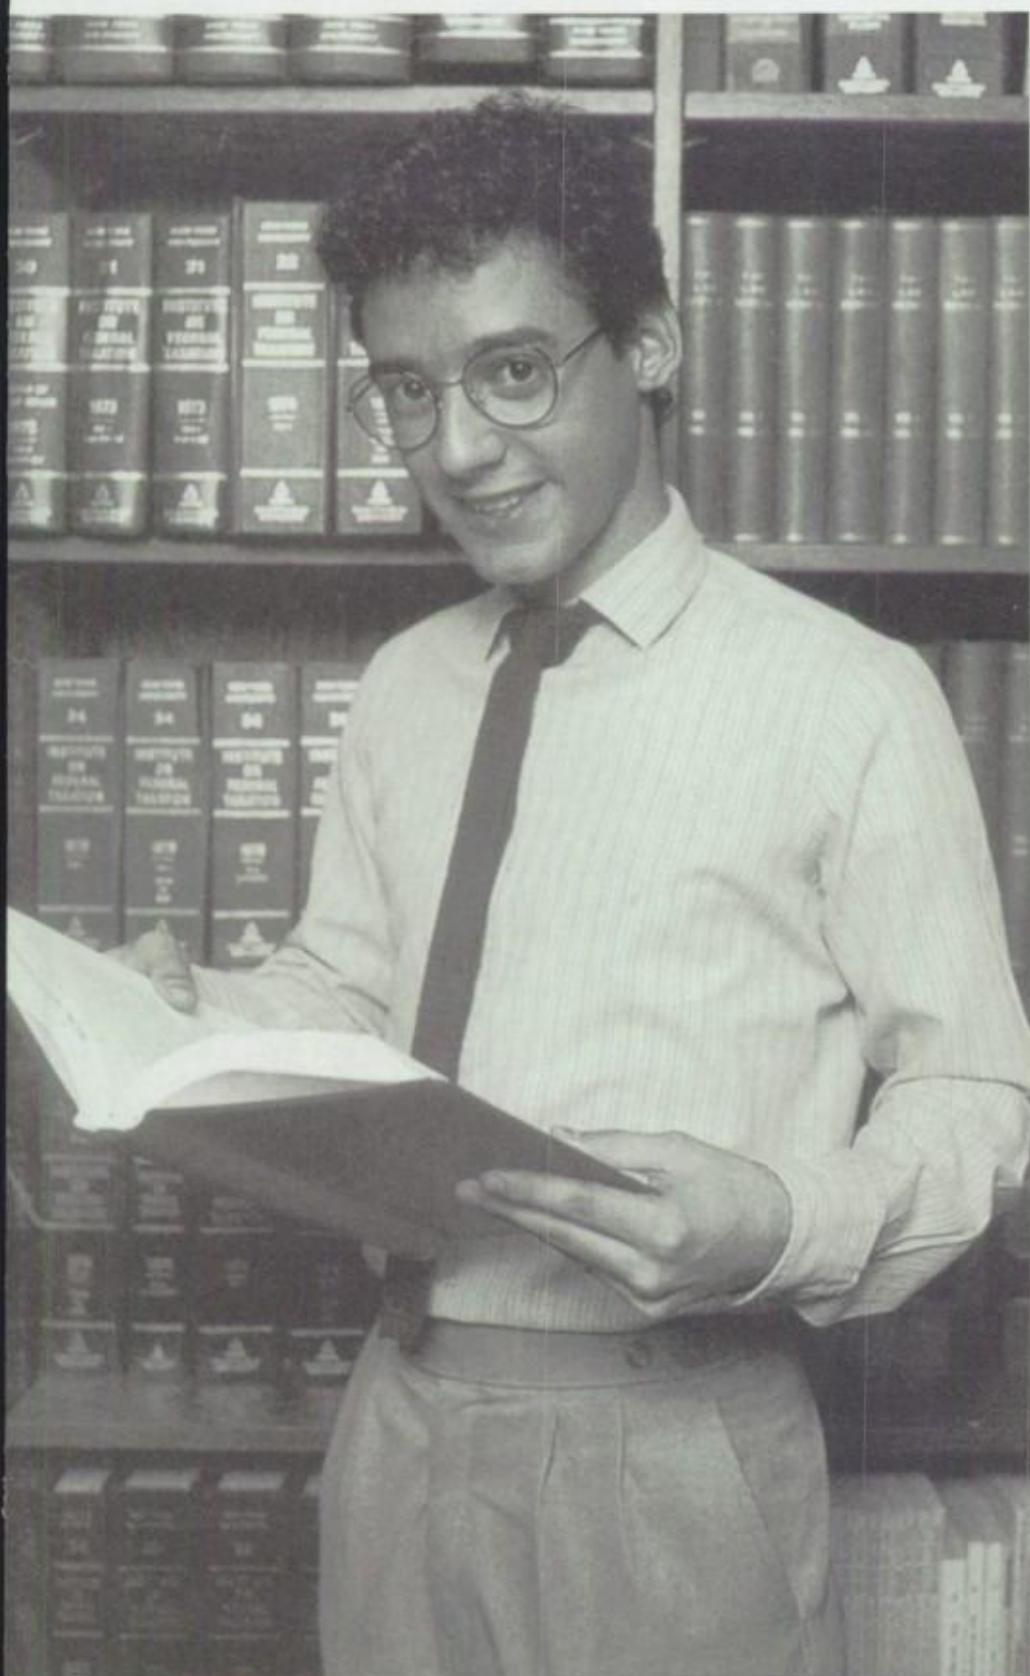

The Army was one of the more popular branches of the service for seniors.

The business field will eventually claim quite a few of the seniors.

Four of the top five colleges are represented: E.C.C., U of I, S.I.U., and E.I.U.

College bound students will spend much of their time in the library.

Six members of the class of '85 will find themselves in the Air Force after graduation.

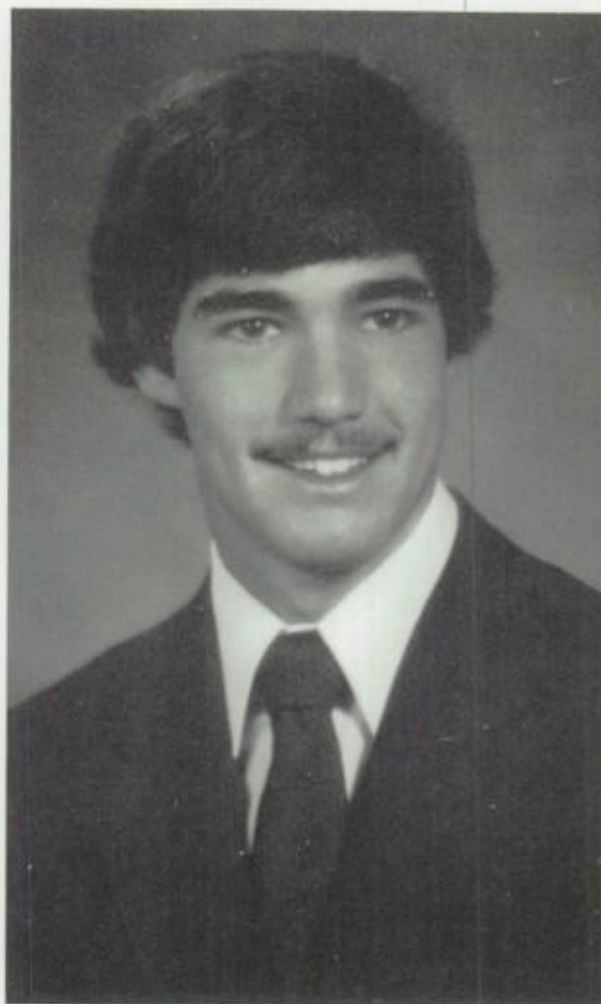

During a student's four years in high school, he encounters many new and influential people and forces. Cerulean asked several seniors, "What aspect of high school influenced you the most?" Some of the replies received are the following: "Psychology with Mr. Ismail helped with my insight and perception with people and self-actuation." "The chance to assert myself as an individual." "How competition brings about essential qualities necessary to succeed in life."

"The ignorance and close-mindedness of certain teachers."

PERSONAL STYLE, THE LAST WORD IN FASHION

Each individual has his own personal style when it came to displaying his individuality. We expressed ourselves through the clothes we wore and the things we did. Many of the "fads" at Larkin came from England. Bright, bold, colorful outfits were worn by many. Neon colors were a big hit when worn with basic black. The oversized sweater was coordinated with colors ranging from light pastels to bright neon greens. Shirts were seen with scribbles and geometric shapes. Mickey Mouse was seen throughout the school during the spring. He appeared on clothing ranging from shirts to dresses. The baggy style jean was also part of this year's fad craze. Short hairstyles with long "tails" in the back were seen almost everywhere. Rhinestone jewelry was worn by many because of the singer Madonna. The game of Trivia Pursuit became one of our favorite pastimes with editions ranging from the genius edition, to sports, to the baby-boomer. Overall, this year consisted of many styles which were different from the old trends to which we had become accustomed. The last word in fashion was that "preppy" was out and "punk" was in.

Oversized shirts and cropped jeans are worn by many.

The SWATCH watch adds color and fun to our time.

Rachel Kellenberger shows us the "Madonna" look.

Jenny Leth and Matt Wlodarczyk model the new hat styles.

"Picasso is not dead," says Lisa Franklin.

Amy Johnson shows off her multi-color eyes.

See-through shoes sport the new fluorescent stockings.

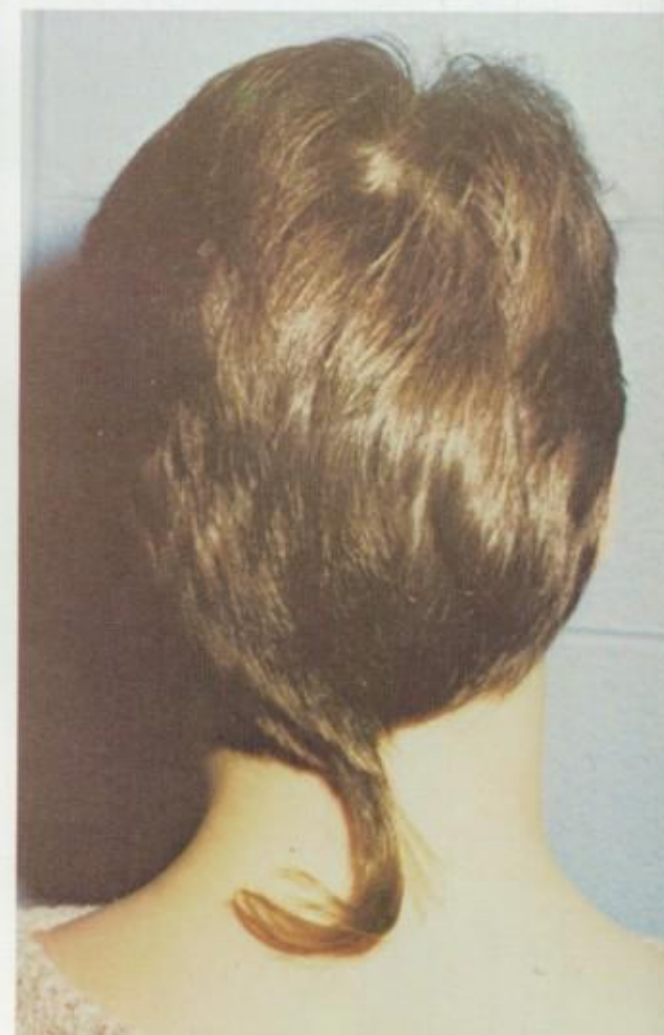

Neon Green is a big hit with Chris Leonhardt and Lisa Bailey.

Bill Idol (Todd Broeker) visits the Larkin library.

The "oversized sweater" comes in many colors and styles.

Tails came over from London and took residence at Larkin High.

Charcoal colored stone-washed jeans, thin ties, and Sherlock Holmes berets make Matt Wlodarczyk a debonair freshman.

Neon nylon and black leather highlight footwear in '85.

Foreign styles invade Larkin.

Small rock buttons decorate many outfits.

Large, bright colored earrings give the total look.

Homecoming 1984 was a mixture of traditional and new events. The week was enhanced by four spirit days: Tuesday was sweats day; Wednesday was dress-up day; Thursday was punk day; and Friday was blue and white day. To replace the annual bonfire, a pep rally was held Thursday during school. Friday morning found the trees bedecked with white streamers. Excitement built all day and peaked at the pep assembly 7th hour, in which the class of '86 won the spirit stick for the third consecutive year. After school the annual parade marched down Larkin Avenue, cheered on by many onlookers. At the game Friday, winners in the Float competition were announced. The Senior's took best all-around, and the Junior's won most original. Also, the Homecoming King and Queen were announced. Crowned were Mark Gardner as King and Jennifer Rakow as Queen. The only damper on the whole week was a disappointing loss to West Aurora by our previously unbeaten football team. Capping off the week was the dance Saturday night. It was a great way to end another great Homecoming at Larkin.

NOW AND FOREVER MEANS MEMORIES FOREVER

Prom once again lived up to the expectations of everyone who attended. The time spent in preparation (trying to find a date, tux, dress, flowers, and garter) was worthwhile. On May 3, 1985, couples arrived at Indian Lakes Resort in Bloomingdale. Students had a wonderful time dining on prime rib and dancing to the music of "Cool Breeze!" The dance floor was crowded until the evening ended. Saturday was spent on excursions to such places as Six Flags Great America, Lake Geneva, and Milwaukee. The memories of prom, as the theme states, will last "Now and Forever."

CLASS OF '85 — NEWEST ALUMNI OF LARKIN HIGH

The class of '85 became alumni of Larkin High on June 7. The ceremony was held at 6:30 in Wing Park. Valedictorian Sheryl Swartz and co-salutatorian Jim Friedrich spoke; words of farewell were also given by Dr. Pennoyer and Dr. Wiggall, superintendent of district U-46. The passing of the gavel took place when Craig Morse passed the gavel and the tradition of Larkin High onto senior class President Jodi Glaser. It was a beautiful ending and a fitting final memory of Larkin.

STUDENT GOVERNMENT INAUGURATES A "NEW DEAL" FOR 1985

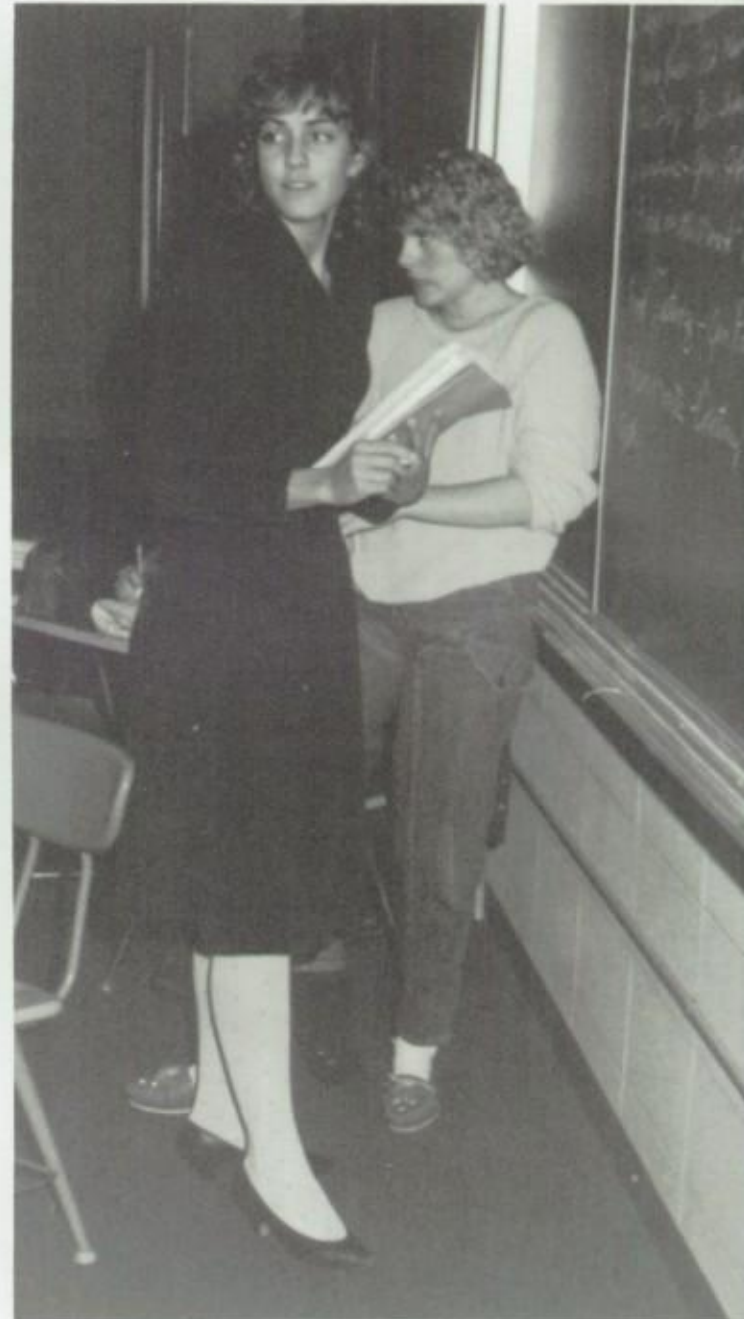

This was one of the most productive years for student government. With Jenny Rakow, President, student government organized many functions during the year, such as the Father-Daughter Dance, the blood drive, the Love Boat Dance, and the most popular of all, the S.A.D.D. program. S.A.D.D. (Students Against Drunk Driving) also combined with the Kane County S.A.D.D. task force.

PRESIDENTIAL CLASS AND ADVISORY BOARD — A CABINET OF LARKIN REPRESENTATIVES

ADVISORY BOARD: Eddie Johnson, Jenny Collins, John Canfield, Jennifer Rakow, Heidi Holtz, Kathy Walters, Ted Humphrey, Rachel Kellenberger, Melissa Kellenberger, Lori Cargill.

The Advisory Board made the 1984-85 school year eventful. The board consisted of ten members and a president, Jennifer Rakow. They were elected at the end of the previous year by their classmates, with the exception of the freshmen members, who were elected at the beginning of the year. The Navy Band, sponsored by the Advisory Board, came to Larkin to give an enjoyable performance with all different kinds of modern music. Many contributions were also given by the Advisory Board, one being the installation of the new pop machine in the cafeteria and a new refrigerator in teachers' lounge.

Presidential Classroom is a group of students who have taken advantage of the chance to visit the nations capital in Washington D.C. These students are chosen by Mr. Jenkins, the sponsor of the trip, after each one has submitted an application. The students are then put in groups of two and sent one group at a time. These students visit such places as the Smithsonian Institute, Congress and the F.B.I. This year, one of the groups was able to attend a session of the Meese hearings.

FRENCH AND GERMAN CLUBS TRANSLATE TO AMERICAN

German Club, led by Mr. Ottinger, repeated many of their successful events. Candy and the traditional German calendars were sold. Amy Finger, treasurer, handled the fund-raising. Other officers were Mark Gerberding — President, Dana Hayward — Secretary, and Linda Kullick — Vice-President. German Club sponsored the German Exchange Program, a Christmas Dinner, Picnic, and events with the German Exchange Students. Mr. Ottinger felt that this year's student increase was due to interest in Germany and its traditions.

French Club, with the help of Madame Fasbender, had a very successful year. They had many fund-raisers; they gave three scholarships to outstanding seniors in French. One field trip was to Chicago to see a French performance; another was a picnic. Madame Fasbender also organized a trip to France for two weeks over the summer. This year the French club was led by Karen Miller — President, Susan Sommers — Vice President, Scott Pool — Treasurer, and Tracy Desbles — Secretary.

Latin Club had another full year consisting of the usual events which are as follows: Roman Banquet, picnic, their Great America trip and Latin Day in Illinois. To raise money for these events they sold M&M's and coupon books. All of these events taught the members about the Roman culture. Like other clubs they had their outstanding participants who were Cornelia Corzine and Mike Hayashida. The officers were Consuls Fatima Khan and Mike Hayashida; Praetor, Cornelia Corzine; Quaestor, Adrienne Zimmerman; Scriptor, Mary Walsh; and Senators, Jim Botino, Theresa Gholson, Pam Lowrey and Tracy Wahl.

Senor Barth took charge of the Spanish Club this year with its 25 members. Throughout the year they enjoyed many activities including monthly meetings with refreshments, pinata parties, a Mexican dinner, and a summer softball game and picnic. For fund raisers the club held a car wash and sold candy canes for Christmas. The officers were Jennifer Rakow, President; Kerry McGinnis, Vice-President; Heidi Holtz, Secretary; and Karin Riggs, Treasurer. Both the Spanish Club members and Senor Barth agree that they had a very interesting year.

NATIONAL HONORS SOCIETY

There are many factors involved in picking a National Honor Society member. A prospective member is rated on a scale of 1 to 5 with 5 being the highest, in four areas — scholarship, service, leadership, and character. For a high rating in scholarship, a student must have a cumulative grade point average of 4.75 for juniors and 4.5 for seniors. In addition to being courteous, a student should be willing to give his service to the school. The leadership a student possesses is based on his contribution of suggestions and the initiative he shows in the classroom, athletics, and organizations. Furthermore, cooperation with school regulations, honesty and reliability are some traits that have to be met to rate high in character. After being rated by at least four members of the faculty, the student must average a 4.0 or higher to be selected by the National Honor Society. There were two co-sponsors of the Larkin chapter of the National Honor Society this year, Mrs. Marci Henrikson and Mr. Donald Caldwell. This year National Honors Society took a trip to see **42nd Street**.

WEPS AND SKI CLUB — TWO ACTIVE OFF-CAMPUS CLUBS

WEPS stands for Elgin Public Schools radio station, which operates on 90.9 FM. However, next year the station will change frequency to 88.9 FM. Students enrolled in this course learn everything from production techniques to better voice tone. Mr. Sprague, program manager, said that with the change will come a change in format. The academic format will be in the morning, and rock music three nights a week on Wednesday, Friday, and Saturday. When the change occurs, there will be more adult contemporary music and community news.

The Ski Club gives students from each of the four grades a chance to go skiing. Mr. Mies and Mr. Newton are the sponsors for the Ski Club, and they also attend the trips. They had three trips this year — two to Wilmot, and an all-day ski trip to Devil's Head.

PAGES HELP GET THE WORD AROUND

Student pages are useful in helping the school run smoothly. They help both teachers and secretaries with many minor tasks, such as grading papers, helping with projects, and filing papers for teachers. They answer phones, deliver messages, and file for Larkin's secretaries. The pages are essential in helping the school run smoothly by doing the busy-work.

GERMAN STUDENTS AND LARKIN STUDENTS TEAM TOGETHER

Despite a computer scoring error and strong competition, Larkin finished second in a field of 525 at the 1985 state TEAMS meet. Larkin won the district competition with individual awards from Mark Krajecki (first in physics, second in chemistry), Willie Duchaj (second in graphics), Cameron Hotham (Second in graphics) and James Freidrich (third in math). At the regional competition, they won in a close finish with Rockford Auburn. Excellent performances were turned in from Mark Krajecki (first in chemistry, second in Physics), Cameron Hotham (second in graphics), and Jeff Canfield (third in Math). Cameron Hotham led the way at the state meet with a third place in graphics. Larkin was coached by Mr. Schmidt, with help from Mr. Krikau and Mr. Rhode.

The German Exchange Students had another productive year. As in the previous years, the students went to House on the Rock in Wisconsin and Fermilab in Geneva. Another favorite activity was the rollerskating party at Mainstreet U.S.A. in Streamwood. One of the new activities this year was a field trip to Chicago. They went to Water Tower Place and listened to a 45 minute slide and movie presentation called "Here's Chicago." After the presentation, they all went to a 100 year old restaurant called Berghoffs. To end the eventful stay here in America, they were treated to a pot-luck farewell in the library.

The Teams trophies are displayed.

LARKIN STUDENTS SEE THE WORLD

This is the first year that three of the foreign language departments had students go to other countries. German students went to Germany, Spanish students went to Mexico, and French students went to France, Switzerland, and England. The French and German students went over during the summer while the Spanish students traveled to Mexico over Spring break. The German students stayed with families on an exchange program, and the French and Spanish students toured their countries on tours arranged by their teachers.

ROYAL ORCHESTRA

This past year was a very eventful one for Larkin's orchestra. They were involved in a March 21 winter concert and also in the musical performance "Oklahoma," which took place April 25-27. "Oklahoma" was quite an experience for the orchestra and following the lead of Mr. Patterson, was also a success. Due to a large enrollment, Larkin, once again, had an excellent group.

CHAMBER OF STRINGS

Chamber Orchestra, which is a group of the finest orchestra members, had a very good year. In addition to returning members, there were also many newcomers which contributed to the superb sounding group. These students meet once a week to practice special performances and also must attend daily concert orchestra practices. Due to the direction of Mr. Patterson, the chamber orchestra gets better year after year.

CONCERT CHOIR

Our chorus includes many talented young men and women who practiced hard all year on vocal techniques, sight reading, and choral singing concepts. Directed by Mr. Phillips, Larkin's Concert Choir performed for many audiences all year. The hard work paid off at their fall, Christmas, and spring concerts.

The choir officers were Becky Cargill, Craig Vollman, Tammy Stewart, and Rachel Kellenberger.

MADRIGALS

The Madrigals are a hard working dedicated group where all members are required to take private voice lessons. Through their performances for the community, churches, and businesses, students learn vocal and music reading skills, and confidence in themselves through performing. At the I.H.S.A. state contest, Larkin recieved a superior rating. Their beautiful costumes cõrrespond directly to the sixteenth century english culture when madrigal singing was so popular.

FRESHMEN CHORUS SINGS WITH STYLE

Freshmen Mixed Chorus is a course designed to teach the fundamentals of music to first year high school students. The class is a foundation for students interested in Madrigals and Concert Choir. Two or three concerts a year are given by the class. Mr. Phillips, the teacher of the course, expects this year's freshmen to do very well in the music program at Larkin.

CREATIVE WRITING AND QUILL AND SCROLL

Creative Writing has been taught at Larkin for the past three years by Mrs. Shedivy. The class involves a lot of discussion along with writing about their innermost thoughts. The creative writing class sponsors a literary magazine that involved the whole school. This year it was entitled **Eschew Obvuscation**.

Quill and Scroll is made up of students from both Cerulean and Loyal Royal that have a B average or higher and are interested in journalism. This is the second year that Quill and Scroll has been here at Larkin.

LOYAL ROYAL

Sarah Freedlund and Nancy Fabrizio, co-editors, led Larkin's newspaper to a new look. They changed the format of the newspaper and added some exciting extras. The new informative center spreads covered such topics as suicide, missing children, patriotism, and censorship. Also included were special features in every issue consisting of movie reviews and photo opinions. Overall, everyone thinks they have improved the newspaper greatly.

HERE'S TO THE '85 CERULEAN STAFF

Cerulean's year was one that all staff members will remember. There were various activities the staff participated in, including sending four staff members to a year-book conference at Whitewater over the summer, selling M&M's in the fall, making a truck for Homecoming that went on to win the best non-float award, and a field trip to Great America at the end of the year (not to mention the side trips to Pizza Hut and Al's Creamerie). We would like to thank the staff for their hard work (ha-ha) and dedication to the book. We hope everyone enjoys it because it actually took three years of work and learning to put this book together. We put a lot of ourselves into the book. These years on staff will stay with us a long time.

VARSITY FIGHTS TO A STRONG SEASON

With twelve returning lettermen, Larkin fielded a strong varsity team, placing third in conference. The team was led by seniors Todd Ramsay, Robert Cedillo and John Frasier. Quickness on the defense was the strength of the team, whose only two losses were to teams that made the State playoffs. A come-from-behind defeat of East Aurora high-lighted the fine season.

SOPHS & FRESHMEN TURN IN GOOD YEAR

The 1984 sophomore football team completed the season second in conference. The strong point of the team was defense, which recorded five shutouts. A difficulty the team had was being ready to play every game. Coach Shabet felt the most memorable game was a last-minute defeat of Addison Trail.

VARSITY "BUMPS" THE OPPOSITION

This year's varsity volleyball team finished with a 9 and 11 record. The team's strongest points were in their powerful serving. The season started out slow and long; but as the season progressed, the members gained the experience they needed to end the season on the upswing. The returning seniors were Dawn Alvine, Kari Brackett and Becky Klopfenstein.

CROSS COUNTRY KEEPS PACE

The Larkin cross country team, led by Sean McNulty, Alan Kasiba, and Kimble Harper, qualified for sectional competition by placing third in the regionals. This years' Royal golf team was led by returning lettermen Jim Holevas, Jim Friedrich, Jon Hertel, and Steve Jeffress. Juniors Blaine Kummet and Dan Wagner aided the team. Despite being dedicated and determined, the team suffered from inconsistency. High points of the season were the defeats of Elgin, Barrington, and Crown. LARKIN KICKS IN A NEW TEAM

Its first year in existence, the soccer team fielded an inexperienced team. The team merely wanted to establish soccer as part of the program at Larkin and be competitive in the conference. The young team was successful at both, and despite a losing season, the team showed a great attitude and a desire to improve. Walter Lung, an all-conference selection, led the team to near defeat of Elgin. The teams' future looks bright, as it will have thirty-one players returning next year.

National Honors Come Our Way

Larkin's cheerleading squads survived several losses in participants to finish the year strong. Both the JV and Varsity squad competed at a Northern Illinois University summer camp. The JV squad did well, receiving many ribbons. The Varsity squad did a great job, receiving several ribbons and a plaque enabling them to compete at Grand Nationals in Lansing, Michigan. The girls had several car washes and collected donations in order to raise the money to attend. In addition, the sale of notecards helped to buy new uniforms. The squad won a Top Thirty plaque. Kelly Malohn placed 7th in the Talent competition, and Betsy Farley placed 42nd out of 185 in the individual competition. Tammy Schwartz moved up two places in the individual competition from 1983 to finish 4th in the nation in 1984.

The JV squad was led by captain Teresa Gholson and co-captain Susan Boldwyn. The Varsity squad was led by captain Tammy Schwartz and co-captain Betsy Farley.

LARKIN'S SPIRIT AND PRIDE

The 1984-85 Pom Pon Squad, along with the Larkin Royals Marching Band, performed some of the best half-time shows ever. Led by captain Lisa Puklin and co-captain Chris Martin, the squad was made up of all Juniors and Seniors until late January when one Sophomore was added. At summer camp Larkin's outstanding squad won first place for best home routine. Five members from Larkin's squad were chosen as "Superstar" girls — Cara Lewis, Linda Maras, Karen Miller, Jeanine Walz, and Lisa Puklin. Lisa Puklin was awarded best over all and went on to perform at the Aloha Bowl in Hawaii. Along with the awards from camp, the LHS Poms won a first place trophy for outstanding unit in South Elgin's 4th of July parade.

GIRLS BOUNCE UP

Coach Schultz's Varsity girls opened the season in a slump. Although the team was made up of mostly inexperienced Varsity players, they worked hard and showed great improvement as the season progressed. The outstanding players that led the Royals through their season were Kari Brackett and Angie Burnidge. Other strong supporting teammates were Karyn Krogh, Kathy LaRue, and Linda Adams. The Royals finished their season with wins over Lake Park, East Aurora, and DeKalb.

LARKIN QUALIFIES THREE FOR STATE

With three wrestlers qualifying for state competition, Larkin fielded one of its strongest teams in years. This trio included Senior Bill Turner (30-2), Juniors Anton Kossakowski (28-6), and Tim Johnston (21-4-3). Other promising prospects were Mark Lucas, Matt Korfist, and Lonnie Johnston. The team's main weakness lay in the lower weights. Coach Washington can look forward to the return of his two junior state qualifiers for next year's squad.

PETERSDORF LEADS THE WAY

Led by State finalist Linda Petersdorf, the Larkin bowling team again traveled to Peoria for state competition for the third consecutive year. Although the third time was not the charm, the team placed a respectable eleventh at state. Linda Petersdorf led the team with an over-all average of 187 which placed her eighth in individual competition. According to Amy Hannell, the most exciting local meet was against West Aurora, Larkin's arch rival. Chosen to All-Conference were Deanne Kelly, Kam Peterson, and Linda Petersdorf.

BADMINTON DOES SMASHINGLY

"This year's badminton team's record does not truthfully tell the effort and improvement that went into the season. A team with so many underclassmen cannot usually compete successfully with accomplished varsity teams. With the few returning upperclassmen as leaders, this year's underclassmen will need no excuses next year," said Coach Robarts. The badminton team finished the year with a 3-14 record, which is nothing to be ashamed of considering the number of first year players. Many freshmen competed at the difficult varsity level. First year coach, Mr. Robarts, did a tremendous job after taking over the team a week before the season started. Coach Robarts jokingly sums up the year with, "The girls did a good job!"

SECTIONAL COMPETITION HIGHLIGHTS A GOOD SEASON

"Varsity gymnastics was a young inexperienced team that constantly showed improvement, and the quality in depth proved to be their strong point," stated Coach Todd. The team had 4-6 girls on each event who could score a low 7 to mid-8 on each piece. At the 1st Annual Larkin Royal Varsity Invitational, the girls' varsity gymnastics placed 5th at the mid-point of the meet and fought to take second at the conclusion of the exciting event. The girls took third at the Regional Meet, and Freshman Norma Wood advanced to sectionals at the beam. Mr. Todd believed that there was not any real bona fide "superstars" who could consistently score mid-eights and nines but did believe that there were many outstanding participants. Overall, Coach Todd is looking forward to a superb girls' Varsity gymnastics team next year.

TODD'S GIRLS ON BEAM

With most of the J.V. Squad returning, Coach Todd believed he had many outstanding participants which included freshmen Robin Moore, Lisa Jones, Nicole McDaniels; sophomores Tammy Irmischer, Marcy Maxfield and Junior Monica Lainhart. Coach Todd also believed that more and more of the girls were going to their programs with experience from their gym-mites club, summer programs and other gymnastic clubs. Overall, Mr. Todd thought that this was the strongest point for an even better J.V. team next year.

BOYS' VARSITY GYMNASTS SWING INTO ACTION

Varsity Boys Gymnastics team consisted of basically an all Junior team. There were only two returning Seniors — John Shales and John Canfield. The overall record for the Varsity team was 2-7. Although the team record wasn't too great, there was strong competition between Varsity gymnasts for positions on the squad. John Shales was voted Most Valuable Player and Most Improved Player by his fellow teammates. He ended up fifth in Regionals and qualified for sectionals.

GIRLS' TRACK IS IN THE RUNNING

The girls' track team did not come out on top this year as a team but had many individual achievements to be proud of. The outstanding members of the team were returning lettermen Becky Cargill, Lisa Smith, Dawn Sweeney, and Sarah Freedlund. A great deal of strength was also contributed to the team by Crystal Simmons. She received a first in sectionals and represented Larkin downstate. The team's strongest events were short distance running and field. When asked to comment on this year's track team, Mr. Stump said, "The seniors were the outstanding members of the team. This was a very young team, but we have a good base to build on for next year."

SOPHOMORE

The class of '87 had a spectacular year. They were full of pep and pizzazz. The energetic class was led by Melissa Kellenberger. The rest of the staff consisted of Dawn Stennes as Vice-President, Mona Garcia as Secretary, and Derek Lewis as Treasurer. The theme of the Sophomore float was "Royal Impact." To raise money, they sold caramel apples and candy bars.

First Row: Melissa Kellenberger, Vice-President; Derek Lewis, treasurer. Second Row: Mona Garcia, Secretary; Dawn Stennes, Vice-President.

Vicki Parker
1969-1984

Vicki Parker was a radiant, outgoing young lady who learned to love and respect life. She was blessed with many hobbies such as singing Zion's songs, basketball, volleyball, art, and ceramics. As a class, we will miss her. One of her favorite Zion songs was the following:

EVERYBODY OUGHTA PRAISE HIS NAME

Oh, I woke up early this morning
My heart was beating right on time.
I said "Lord, I truly thank you, for opening
up these eyes of mine."

When I walked over to my window
And while looking through the shades,
Once again I had to tell Him
Thank you Lord, for letting me see another
day

Now the sun was brightly shining,
The wind was blowing not too strong.
On a treetop just a few feet away
Was a robin singing a song.
I don't know what he was singing
But pretty soon he was on his way.
Who can say he wasn't being
Thankful for letting him see another day.

Everybody oughta praise His name
Be thankful and praise His name
Everybody oughta praise His name
Cause if a robin can say thank you
You can do it too.

FRESHMEN

The Freshmen class started this year out slow but progressed as the year went on. The Freshmen float for Homecoming was, "The Revenge Of The Royals." Elections were held in September, and the results were promising. Avi Greenfield was elected President, Jenni Jeffress became Vice-President, Kathy Auble was Treasurer, and Jane Freedlund acted as Secretary. The class of "88" sponsored a dance which was held during the spring. They also became involved in the S.A.D.D. (Students Against Drunk Driving) program which opened the year to greater class involvement.

From top to bottom: Avi Greenfield, President; Jane Freedlund, Secretary; Cathy Auble, Treasurer; Jenni Jeffress, Vice-President.

Patricia Moore enjoys Mr. Bandera's algebra class.

Janene Clark and Debbie Graf watch the 4th period acting class with interest.

Cyndi Oberle and Joel Nazarowski show their spirit for Homecoming.

Right: Matt Wlodarczyk jumps for joy at the Christmas Dance because he's having such a good time.

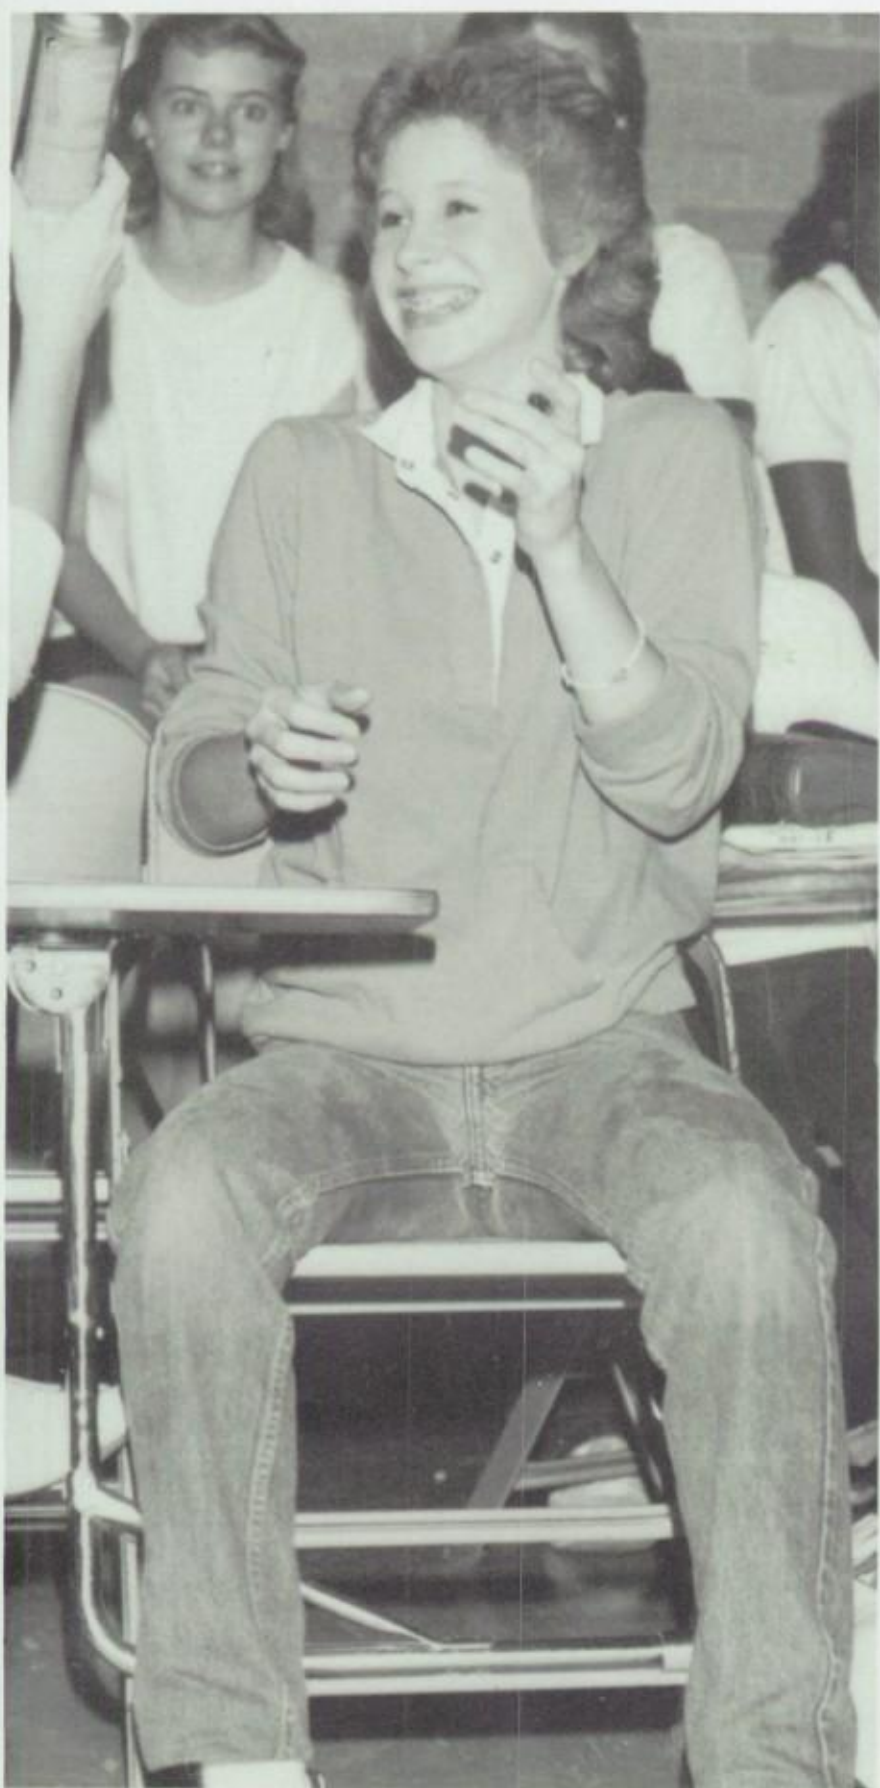

Freshmen class officers paint their rock at the first annual outdoor homecoming assembly.

As a skit is performed, the whole drama class is surprised of the work of a fellow classmate.

Nanci Mitchell cracks up during drama class as the others watch intently.

Everyone who needs a ride to school should learn all about the Suzuki Shuttle. It goes a long way on just a little gas, and with an automatic no-shift clutch it's a real gas to ride.

There's even solid state electronic ignition and self-lubricating self-adjusting chain drive that keeps upkeep down to a minimum. So take the Suzuki Shuttle to class and show people what a road scholar you are.

The Sensation of Suzuki.
